McCarty Talent Agency working Actor/ Model

June 2011- Current

- I started out as a model at age 17 with my high school jobs on the side still, aspiring to be an actor and have worked on several commercials and short films and a couple feature films
- Worked with Several different directors/producers/assistants, Actors, models and or/ Talent on several different photo/film shoots I have over 25 accredited jobs done and each one is a direct booking or audition(lots of credited work on IMDb) but the jobs do not last more than a few weeks usually unless it is film but have worked with several professionals
- Job is challenging ongoing and flexible
